

# Trustees wanted

Crossroads Care in Greater Manchester is a registered charity providing respite services to carers of disabled children and adults. Last year we were awarded Investors in People and received a three star quality rating from the Care Quality Commission.

Working primarily in partnership with the statutory authorities of Salford, Trafford, Stockport, Bolton, Rochdale and Oldham Crossroads have been helping carers take a well earned break from their caring role, providing 24 hour care, employing over 130 staff and with a turnover in excess of £2 million for over 30 years.

We are currently seeking to strengthen our Board of Trustees and are looking for new Board members with experience in Human Resources, Business, Legal and Finance/Treasury backgrounds.

As a trustee you will have the chance to learn new skills, take up new training opportunities, develop your knowledge of the care sector in Salford, Trafford, Stockport, Bolton, Rochdale and Oldham and be part of a forward-thinking organisation.

We are committed to equal opportunities and welcome enquiries from all sections of the community.
